# CULINARY STUDIO

## YMCA Anthony Bowen

### CORPORATE TEAM BUILDING PACKAGES

#### YMCA ANTHONY BOWEN'S TEAM BUILDING PROGRAMS

are designed to help build better communication, work as a team, build trust and help cope with problems that occur in daily life. Participants work with our trained culinary instructor towards a specific goal.

The Y's commitment is that you find our culinary studio to be a great place to foster new relationships, strengthen old ones, and create a healthier work environment – all the while cooking, eating and having fun!

We want to ensure that your private event is just what you have dreamed of, so we will be working with you each step of the way. Classes range from hands-on cooking to demos and can accommodate any dietary restriction. Classes are open to a maximum of 12 participants.
